### Policy Regarding Student Behavior and Sports Eligibility Consequences related to Sports Eligibility (for athletes):

- ❖ If a student has 3 or more office referral's for **major infractions** (examples include but are not limited to, fighting, harassment, insubordination, sexual offenses, or illegal actions) or 3 or more **suspensions** (in or out of school) in a card marking, they are ineligible to try-out for any sports in the upcoming season. For example, if a student is suspended 3 times or has 3 office referrals in the 1st MP, they **MAY NOT** try-out for basketball which takes place in 2nd MP. If the student's behavior improves, he/she would be able to try out for other sports such as wrestling or track in subsequent marking periods.
  - ❖ Any athletes currently on a Frost athletic team will also be held accountable for behavior. Any athlete that earns a suspension (in or out of school) or referral during the season will not play in the next game. On the second suspension or referral, **the athlete will be removed from the team.**
  - ❖ **Minor infractions** may/may not result in an athlete being restricted from a portion or all of a game at the discretion of the Athletic Director or the Assistant Principal.
- **Riding home with a friend or getting off at a different stop** ....If students wish to ride home with a friend, **BOTH** students need a note signed by a parent to be given to the Planning Room Supervisor before lunch to get them authorized. If students wish to get off at a different stop,

bring a note to the Planning Room Supervisor before lunch to receive authorization.
