Dear Parents and Community Members:

I am pleased to present you with the Annual Education Report (AER) which provides key information about the continuous improvement goals and educational progress of Frost Middle School students based on 2016-17 assessment results. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact me, Anthony Abbate, Principal of Frost Middle School, for assistance.

The AER is available for you to review electronically by visiting the following web site <http://frost.livoniapublicschools.org> or you may review a copy in the main office of our school.

Schools have been identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA) based on their 2016-17 State Testing Results. A Target Support and Improvement (TSI) school is one that has at least one underperforming student group. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

The AER has two major sections to it. The information contained in the first section was compiled by district staff. It presents relevant information about our district, our academic programs, school improvement efforts, two years of results on district developed assessments and nationally norm referenced assessments. It also includes the district's parent involvement policy and specialized programs.

The second section of the report contains information provided by the Michigan Department of Education.

Frost Middle School houses Livonia Public Schools magnet program for the academically talented, MACAT (Middle Alternative Classroom for the Academically Talented). MACAT students comprise more than half of the students in Frost's top 30% on the state assessment. As Frost's enrollment continues to decline, the MACAT students comprise a higher percentage of the overall school population with every passing year which, in turn, raises the achievement threshold of the top 30% and contributes to the achievement gap between the top and bottom 30%. Other factors contributing to the achievement gap include attendance, school suspensions, and student mobility.

We are actively working to address the school issues by:

- Providing co-taught mathematics classes for struggling students, as well as opportunities for additional math assistance during Falcon Time.
- Increasing emphasis on improving student attendance using the Wayne County "Erase Truancy" program.
- Enhancing implementation of a school-wide Positive Behavior Intervention and Support program, involving all staff, students, and PTSA in the process.

- Providing on-going professional development for staff to meet student learning needs.
- Increasing PTSA involvement as partners to promote student success.
- Continuing to build an inclusive culture of community and unity between building programs/populations (i.e. all-school Open House for incoming 7th graders, etc.).
- Creating collaborative experiences between all 3 LPS middle schools (i.e. all-school Activity Nights, 8th grade annual Cedar Point trip, Young Inventors Program, etc.).
- Continually refining Frost's School Improvement Plan to meet the needs of all Frost students.

These initiatives are intended to accelerate the student achievement of subgroups, including the state's Bottom 30%, who are not meeting our school's proficiency targets.

Our collaborative efforts positively impact our school's success and student achievement.

Sincerely,

Anthony Abbate
Principal

PARENT TEACHER CONFERENCES

One of the most important factors of a student's success in school is the involvement of parents or guardians in the educational process. Frost has a high degree of parental involvement, as evidenced by PTSA membership, conference and open house attendance, and concert and sporting event attendance.

During 2015-2016, 427 families (61.5%) participated in the fall parent-teacher conferences and 275 families (40%) participated in the spring conferences. Over 450 parent contacts were made during open house. In addition, staff logged over 200,000 parent contacts by phone, mail, e-mail, and in school meetings with parents and guardians.

During 2016-2017, 258 families (39%) participated in the fall parent-teacher conferences and 126 families (19%) participated in the spring conferences. Over 450 parent contacts were made during open house. In addition, staff logged over 200,000 parent contacts by phone, mail, e-mail, and in school meetings with parents and guardians.

PARENT INVOLVEMENT

The district's Parent Involvement Plan is available on the district's website, which is linked to each school's website.

BOARD POLICY

IDD

**INSTRUCTIONAL PROGRAM
PARENT INVOLVEMENT**

**JUNE 20, 2011
Reviewed 5/2014**

The Board strongly encourages and welcomes the involvement of parent(s)/guardian(s) in all of the District's educational programs. It is recognized and appreciated that parents/guardians are the "first teachers" of their children, and that their interest and involvement in the education of their children should not diminish once their child enters the schools of the District. Accordingly, the Board directs, by the adoption of this policy, that the administration shall design a program/plan that will encourage parent(s)/guardian(s) participation that may include, but not be limited to: The development and review of instructional materials; input on the ways that the District may better provide parent(s)/guardian(s) with information concerning current laws, regulations, and instructional programs; and District offerings of training programs to instruct parent(s)/guardian(s) how to become more involved in their child's educational programs.

Pursuant to state law, the Superintendent shall provide a copy of the District's Parental Involvement plan to all parents.
